Winter 2015

by Kyle Schrade

Welcome

It is our distinct pleasure to inform our Brothers of the happenings of the current Zeta-Pi Chapter. We have been really busy this winter semester, and we are looking forward to the Summer break and the many great events we have coming in the next few months.

State of the Chapter

The Chapter currently has 25 active members and the climate of the Chapter has changed drastically in the last 12 months. We are a young, driven chapter and we are very excited for the way the Chapter is moving. To amplify the growth the Chapter is experiencing, we are requesting more assistance from the alumni. With your help, this Chapter will be able to do great things in the next year and bring Zeta-Pi to its full glory.

Orchid Ball

This year Orchid Ball was held at Addison Oaks Country Club. It was a fun filled evening with the active brothers, alumni, and all the dates of the guests. Orchid Ball highlighted the successes of the Chapter within the past year. Many memories were shared among the new members and those that have been around the Chapter for a while. We would like to thank all those Brothers and Alumni that were able to attend this year.

Pig Roast

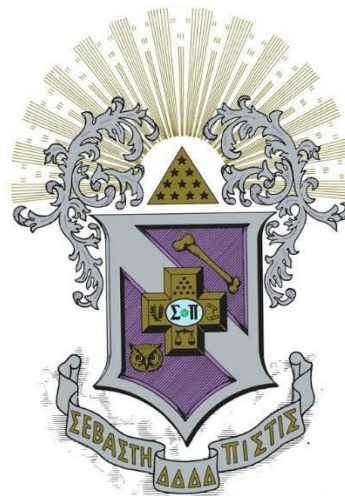

It's getting to be that time of year. Pig Roast is just around the corner. The Chapter is starting to plan this year's 21st Annual Pig Roast. The tentative date this year is expected to be September 11th, 2015. We hope to see many Alumni attend this year. It is always an enjoyable evening and we are looking forward to it again this fall.

Alumni Involvement

Zeta-Pi is striving to enhance our relationship with our great alumni – we would like to have 3 Alumni and Active nights per year. The golf outing was a successful event last summer, look for it to become a regular event each year. The Chapter would also like to thank all the alumni that made it to this year's Orchid Ball. The Chapter had a successful year because of the strong alumni presence. We want to continue on the upward bound and would love to connect with even more alumni. We love to see a strong turnout of alumni that share their experiences and brotherhood moments with the Chapter.

Thank you for taking the time to read this newsletter, and we hope to reconnect with you in the near future.

Contact Information

If you would like to reach out to the chapter for any information, events, or any other form of involvement please feel free to reach out to us, we love hearing from our alumni.
