

Winter 2014

by Dominic Patrus and Sam Brown

Welcome

It is our distinct pleasure to inform our Brothers of the happenings of the current Zeta-Pi Chapter. We have been really busy this winter semester, and we are looking forward to the summer break and the many great events we have coming in the next few months.

Graduating Members

We would like to congratulate our graduating members from the chapter, Jameson Carle and Daris Johnson. Jameson is graduating with an Electrical Engineering degree and has accepted a position as an electrical engineer in Colorado Springs. Daris is graduating with a degree in English. Both members have served on our Chapter's E-board this past year and will be greatly missed.

State of the Chapter

The Chapter currently has 21 active members and the climate of the Chapter has changed drastically in the last 12 months. We are a young, driven chapter and we are very excited for the way the Chapter is moving. To amplify the growth the Chapter is experiencing, we

are requesting more assistance from the alumni. With your help, this Chapter will be able to do great things in the next year and bring Zeta-Pi to its full glory.

Orchid Ball

The chapter held Orchid Ball at Addison Oaks Country Club, the venue was spectacular and we would like to thank our great alumni for showing support for the chapter in celebrating Orchid Ball with us. The chapter had a great evening celebrating the achievements of the past year and strengthened brotherhood bonds. We would like to thank Allan Scott and his beautiful wife Nancy for joining us for this special night

State of the Chapter

The Zeta Pi chapter welcomes its newest pledge class, Beta Iota. Matt Wolff, Zach Quinn, Derick Martin and Ryan Holman

Orchid Ball

The Chapter had a beautiful evening at this year's Orchid Ball

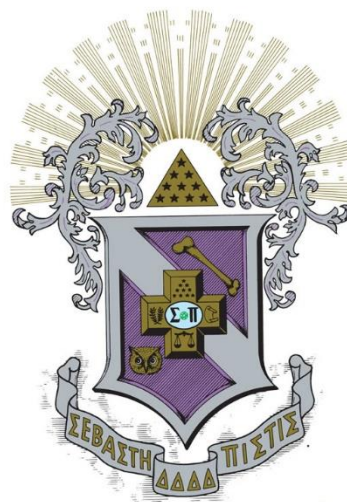

Alumni Involvement

Zeta-Pi is striving to enhance our relationship with our great alumni – we would like to have 3 Alumni and Active nights per year. The first of these many great nights will be June 21st 2014, at the Rochester Mills Brewing Co. in downtown Rochester. We will be meeting for drinks and dinner at 7pm. We encourage all alumni to RSVP with Dominic Patrus ASAP to reserve tables. We would love to see a strong turnout of alumni to share their experiences and brotherhood moments with the Chapter.

Pig Roast

Finally, we would like to inform you of our 20th Annual Pig Roast. The date for this years pig roast will be September 5th (date subject to change). Pig Roast is always better with the abundant alumni support from this chapter, and we look forward to seeing you there.

Thank you for taking the time to read this newsletter, and we hope to reconnect with you in the near future.

Contact Information

If you would like to reach out to the chapter for any information, events, or any other form of involvement please feel free to reach out to us, we love hearing from our alumni.
