

Winter 2016

Welcome

It is our distinct pleasure to inform our Brothers of the happenings of the current Zeta-Pi Chapter.

We have been really busy this past winter semester, and we are looking forward to this fall semester and the many great events and agenda we have planned.

A Night to Remember

The Zeta Pi Chapter hosted their 30th Orchid Ball March 19th.

With long planning by Active and Alumni worked to make the event on the will be remembered. Many important Brothers were in attendance: Grand Sage E. Andrew Morris,

Past Grand Herald Robert Pankau, Founder Chuck Surnick and Rob Waters along with Jeff Fox and many others. .. There were many memorable highlights of night but one most importantly was Chuck Surnick winning the Founder's Award for his long dedication and service to the chapter.

State of the Chapter

Currently we are 22 men strong after initiation from the winter.

We are a diverse group of gentlemen each bringing something different to the chapter to make it great. We are excited for this year and what are vision is for the chapter.

Philanthropy

With the success from last year the chapter worked hard each volunteering for different days and times to help out and was successful in signing up 150 donor recipients.

Alumni Relations

Zeta Pi strives to continue enhance our relationship with our great Alumni. With events like the golf outing coming up this summer we look forward to see many Alumni out in attendance it's always a great events each year. In addition its always great to engage with Alumni at Rochester Mills on the 3rd Tuesday each month. The chapter would like to thank the Alumni for attending Orchid Ball this year and for all that you do. This chapter grows stronger with the Alumni presence.
