

Fall 2016

Welcome

It is our pleasure to inform our Brothers of the happenings within the Zeta- Pi Chapter.

We have been incredibly productive this fall and are looking forward to this winter and all the great events planned.

these men bring new ideas and ambition to take on the challenges the chapter shall confront in the coming years as they become exemplary brothers in the near future. It's a great feeling to see our plans come to fruition, as we shall be a 30-man chapter at the start of the winter semester!

Fundraising

The past two years the chapter has volunteered a weekend in the fall to work at Cedar Point to raise money for the chapter. As a result, the chapter raised over \$2,000 by volunteering their time.

State of the Chapter

This fall Semester the Executive Board executed its master rush plan to perfection. We have successfully initiated 10 guys this semester making it the largest pledge class since 2004. Each of

Pig Eating Fun!

On behalf of the chapter I would like thank everyone that attended Pig Roast. Every year it's a great experience seeing all our brothers return with family to share in the fun.

Alumni Relations

The Zeta Pi chapter strives to enhance our relationship with our Alumni. Regular events like the golf outing in the summer are events we look forward to seeing Alumni out in attendance each and every year. In addition, it's always great to see Alumni at Rochester Mills on the 3rd Tuesday of every month. The chapter would like to thank all alumni for their support of us.

Philanthropy

For the 3rd year in a row, the chapter assisted RAYA, brother Rob Ray and the Rochester Fire Dept. in their Spaghetti Dinner event to raise money for the fight against cancer. In addition to that, this semester we held an off campus event to benefit an animal shelter based in Flint, MI!
